Building Land with Private Condominium Project in Boliqueime

We present you a plot of land with approximately 9,770 m², ideally located in Boliqueime, featuring excellent access and connections to public water and sewage networks. This land offers an exceptional opportunity to develop a high-standard private condominium, with an architectural project currently under development. The project envisions the construction of 15 exclusive villas, comprising 4 T4 villas with an office and 11 T3 villas with an office, all carefully designed to maximize comfort and functionality. Each villa will include a basement, a private swimming pool, and an elegant rooftop, perfect for enjoying the views and the region's pleasant climate.
